

CREATE A NUTCASE HELMET DESIGN CONTEST

In coordination with Portland based Nutcase Helmets, Clever Cycles invites you to design a custom helmet and win prizes. Show us what you've got.

Go Crazy, go Nuts, any design can win. Mixed Media, Limitless Themes, no subject is off limits (*as long as it's family friendly*). So put on your creative cap and realize your ideas right on the page. Just let it happen.

Submit your artistically rendered page as your entry and prepare to be judged. Entries due by January 22, 2011, at Clever Cycles for our cycle event. You can do it!
